DOUGLAS PARK IMPROVING

BRADLEY'S CHOICE WINS THE MEMORIAL HANDICAP IN A DRIVE WITH CHALMERS.

Bulse Takes His Race-Whitney Horses Go East-Jockey T. McTaggart Suspended—H. D. Brown Not to Sell Havana Track.

Louisville, Ky., May 31.—An attendance rivaling that of Saturday was on hand, despite the threatening weather. The cessation of rain during the past two days enabled the course to be worked into good condition and it bordered on fast towards the close of the program.

ing weather. The cessation of rain during the past two days enabled the course to be worked into good condition and it bordered on fast towards the close of the program.

Speculation was again of good volume, but the public again fared disastrously through the frequent failures of first choices.

The crack Bulse made his local appearance during the afternoon and won, but not in a fashion expected of a champion, for he was forced to outstay John Jr. The race will do him good though, for he has been indulged since his last start.

E. R. Bradley won his first stake fixture of the season when Bradley's Choice got home a head in advance of Chalmers after a resolute drive in the Memorial Handicap, worth \$2,490 net to the winner and featuring the good card offered at Douglas Park this alternon. Chalmers was second and Iron Mask third. Seven of the best sprinters that could be mustered in these parts took part in the contest with the John W. Schorr pair, Leohares and Ed Crump, held in highest favor. Neither of them figured prominently at any stage of the race. Chalmers showed a surprisingly high turn of speed from the outset and after leading the fleet Iron Mask all the way held on resolutely to the end and forced Bradley's Choice to a terriffic drive to get up in the last stride. Buckhorn was making his first appearance of the season and trailed distantly all the way.

Gallaher Bros.' string of racers will be shipped at the close of Douglas Park racing to Hamilton, where they will begin their Canadian racing campaign.

Matt J. Winn will depart some time this week for New York to take up his duties in connection with eastern racing.

Jefferson Livingston departed tonight for New York to take up his duties in connection with eastern racing.

Jefferson Livingston departed tonight for New York and will return to see Royal II. race in the Eerby at Latonia.

E. B. Parsons claimed Loveland for \$800 out of the second race, and E. B. Elkius claimed Bob Hensley out of the sixth for \$1,490.

The racing establishments of James Ro

Jockey T. McTaggart, rider of Iron Mask in to-day's handleap, was suspended for the remainder of the meeting by the stewards for rough riding. Harry D. Brown, Jr., was an arrival today from Havana, Cuba, and spoke glowingly of the prospects of his father's track for the coming winter. He also carried with him his father's authorization to emphatically deny the reports that the track would be sold to a syndicate of New Yorkers and that the elder Brown would step out of the management of the plant. "The rumor probably originated from the fact that several New Yorkers offered my father \$290.000

elder Brown would step out of the management of the plant.

"The rumor probably originated from the fact that several New Yorkers offered my father \$200,000 for the plant." said Mr. Brown. "That would not pay for the clubhouse and of course father laughed at the proposition."

At present the weather is delightful in the Cubar capital and not a bit of moisture has fallen since the closing of the racing. A big force of workmen in charge of constructor C. F. Flynn is engaged in reconstructing the track, raising the inside and resurfacing it with a mixture of loam and sand to give it the requisite qualities for safety and fast time. The infield is also being graded and beautified, foliage of all description being liberally used to give the plant a park-like appearance.

The senior Mr. Brown is now in Cuba and will be at Latonia during the latter part of the meeting, when he will have some plans to announce to horsemen. It is known that he contemplates beginning the racing season in Cuba much carlier than last season. There are at present thirty-five racers.

men. It is known that he contemplates beginning the racing season in Cuba much earlier than last season. There are at present thirty-five racers, Cuban-owned, that were bought by local lovers of racing before the close of the meeting and agents of wealthy Cubans are now in the United States in quest of likely material to be used for racing purposes at the Havana track next week.

BELMONT PARK IS CROWDED.

Estimated Attendance of Thirty-Five Thousand Sees High Noon Defeat Stromboli in the Toboggan.

High Noon Defeat Stromboli in the Toboggan.

New York, May 31.—With the immense stands crowded to their capacity, the clubhouse verandas overflowing and the lawn and free field both covered by the immense throng that turned out to Belmont Park today, all previous records for attendance since the renewal of racing in the east were broken, the crowd safely being estimated at 35,000. Ideal weather and track conditions, coupled with the excellent holiday card that was offered, made it a day long to be remembered at Belmont Park.

The twenty-second running of the Toboggan Handicap was the feature and out of the twelve sent out in the entries, nine went to the post with the Belmont trio ruling favorites. The race was won by High Noon, carrying the colors of James Butler, and it marked the first appearance of that three-year-old in the east this senson. High Noon showed rare gameness, for after racing into the lead right after the start, he withstood strenuous challenges and, in the final eighth, Yankee Notions was at his withers, but the Butler colt held him safe. Right at the finish Stromboli, coming from the rear, closed up with a rush on the outside, but High Noon managed to last it out. Stromboli would have won in another stride or two. The time, 1:00%, was a new record for the race, which was worth \$1,450 net.

The Grand National Steeplechase brought out a grand field of jumpers and the Belmont colors were first home. Chupadero and Kintore alternated as the pacemakers until in the final quarter, where Mission closed up fast and won with ease.

Gifford A. Cochran scored a double when Royal Martyr and Short Ballot won the first and second races, respectively.

Jack Goldsborough arrived today from Louisville, bringing the Andrew Miller horses, including Roamer and Lady Rotha. Jockey J. Butwell was also an arrival from Kentucky.

BRISK OPENING AT DORVAL PARK.

King Neptune Victor in the Juvenile Stakes-Large Attendance-Dorval Track Much Improved.

Montreal, Que.. May 31.—The Juvenile Stakes was offered as a feature by the Dorval Jockey Club for the opening of its spring meeting this afternoon, It brought a small field to the post, only four of the ten carded starting. J. S. Tyree of Washington furnished the winner in his highly-tried King Neptune, which came from behind and under a strongly ridden finish wore Pesky down and beat her out by a half length. There was a noticeable improvement in track conditions and fast time was recorded. Several of the races furnished exciting finishes. The attendance was a larger than any that had ever witnessed racing at the new course. It was ladies' day and this in a measure was responsible for the big patronage. An accident attended the running of the fifth race, in which Phil Ungar with jockey Rice in the saddle was crowded against the fence and fell. Rice was hurt internally but not dangerously. The stewards warned jockey F. Cooper for rough riding. Enoch Wishard was a visitor to the course. He will remain here for both Montreal meetings.

There will be a change in some of the officials at Ottawa this spring. Sheridan Clarke will act as racing secretary and William J. Morrison has been appointed patrol judge.

A wonderful improvement has been made to the track proper at Dorval since last season. Manager Holman and Sheridan Clarke have had a force of the course of the cou

Went to post at 2:45. At post 2 minutes. Start good and show. Won driving; second and third the same. ROYAL MARTYR followed the pacemakers closely while in close quarters for the first half, then responded with a game challeage and got up to win right at the end. BROOMLEAF saved ground on all turns and hung on gamely after taking the lead in the stretch, but could not withstand the winner's challeage. ROLY ran well, but was bumped in the stretch and tired in the closing strides. DISTANT SHORE was always in close quarters. TINKLE BELL was much buffeted about, LILY ORME set a good pace to the stretch, but tired. The winner was entered for \$1,300; no bid.

Rumor has it that Herman P. Conkling, one of the Jockey Club attaches, will be associated with Joseph A. Murphy and Joseph McLennan at New Orleans next, winter and it is said that they will act as a board of stewards to govern the racing.

THIRTY LEADING AMERICAN JOCKEYS.

By reason of each guiding six winners in the course of last week's racing, M. Garner and T. Rice mounted into first and second places in the list of thirty leading jockeys of 1915. E. Pool also rode six winners and established a tie with L. Gentry for third place. In the matter of the real test of riding skill, percentage of winning mounts, Loftus and Butwell are in a class of their own, with Loftus having the advantage. The record is now:

CHANGES IN THE BREEDERS' FUTURITY.

Lexington, Ky., May 31.—The directors of the Kentucky Racing Association at a meeting today decided that the Breeders' Futurity, beginning in 1917, shall be run in September instead of May and that it will be over a route of about three-quarters instead of five-eighths. It also is to have \$2,500 added instead of \$1,500.

A contract was made with Jack Polan to make the inside sand track for winter training fifteen feet wider and an order was placed for thirty cars of sand. Civil Engineer George Horine was employed to supervise this work and also the work of putting in a system of tile drainage under the main track in the stretches.
